We live in a world that is increasingly busy and noisy. Worship is a time in which we deliberately slow down and become quiet in order to hear the voice of God. **When the prelude begins, it is a sign for us to begin preparing for worship. Please silence electronic devices and sit quietly and pray.**

Please silence your phone for the service!

STEWARDSHIP FOR ALL SEASONS

The Southern Ohio Synod continues to invest in our congregations through this highly effective and Biblically-based approach to congregational stewardship.

This will be our ninth year offering SAS in Southern Ohio, and we are still amazed by the results: not just increased giving, but a stronger sense of congregational purpose and more excitement about congregational ministries. However, SAS isn't just about financial stewardship—it also provides equipping to strengthen congregational leadership and organizational health. Congregational leaders found SAS so valuable that several have returned for an additional year or to resource new leaders!

Pastor Katie Kerrigan (Assistant to the Bishop for New & Renewing Communities and Generosity) is happy to help with questions and to register your congregation for the cohort.
